**SUPPLEMENTAL SUBSTANCE OF TELEPHONE INTERVIEW**  
**UNDER 37 C.F.R. §1.133**

Sir:

Applicants wish to supplement the summary of telephone interviews between Applicants' undersigned counsel and the Examiner on March 14 and 15, 2006, included in the Re-Submission of Copies of Documents and Substance of Telephone Interview Under 37 C.F.R. § 1.133 filed on March 21, 2006. Applicants believe that a follow-up telephone interview was also held on March 17, 2006, regarding the same subject matter.

During the telephone interviews, Applicants' counsel also advised the Examiner that the identification of citation No. 1, U.S. Patent document 2004/157278 A1, on Form PTO/SB/08A enclosed with the Information Disclosure Statement ("IDS") filed in the U.S. Patent and Trademark Office ("PTO") on September 12, 2005 inadvertently lacked one digit, "0" after "2004". Thus, the correct identification of this document was 2004/0157278A1. Applicants' counsel advised the Examiner that the date-stamped

postcard indicating receipt of that IDS by the PTO also indicated that a copy of the reference was included. Applicants expressed regret for this inadvertent error, but submitted that the correct number of this published U.S. patent application was available from the copy of the reference filed with the IDS. The Examiner advised counsel that he will correct the citation of the U.S. published patent application and indicate consideration thereof by initialing and returning to Applicants' counsel a copy of the form PTO/SB/08A. Applicants express their appreciation to the Examiner for that indication and the telephone interview.

It is believed that no fees are due in connection with this filing. However, in the event that any fees are necessary, the Commissioner is hereby authorized to charge our Deposit Account No. 50-0206.

Respectfully submitted,
